

# Shred-it®'s Secure Containers and Totes: Efficient, Durable, and Flexible

Shred-it®'s ultra-strong security containers and totes provide efficiency, durability, and flexibility. Each container and tote is designed with a wide feed slot that can handle up to 400 pieces of paper at a time while ensuring that inserted documents cannot be retrieved. Containers and totes also offer a range of lock systems for added security and peace of mind. Containers are made from recycled wood materials compliant with the Environmentally Preferred Product Certification (EPP), ensuring better office air quality.

Shred-it® offers four container options to meet your needs:

**18 Gallon Container**

26"H x 12"W x 19-5/8"D  
1.6 ft<sup>2</sup>

**32 Gallon Container**

36"H x 20-1/2"W x 16"D  
2.3 ft<sup>2</sup>

**65 Gallon Tote**

46"H x 24.5"W x 27.5"D  
4.7 ft<sup>2</sup>

**95 Gallon Tote**

48"H x 25"W x 34.2"D  
5.9 ft<sup>2</sup>

- ▶ Containers have a flat top surface, hinges on the inside, and a beveled plate to ensure that paper cannot be retrieved from the outside.
- ▶ Different finishes are available for containers.

- ▶ Totes are ideal for higher volume areas and are well-balanced for easy handling.
- ▶ Totes have a security slot to ensure that paper cannot be retrieved from inside.
- ▶ All totes are equipped with four wheels to help ensure ease of movement.
